

Working from Home

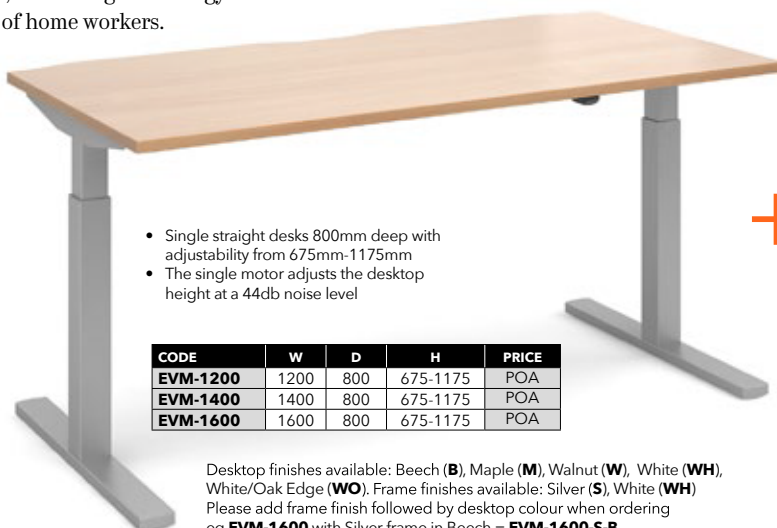

Covid-19 could permanently shift working patterns as companies forced to embrace remote working by the pandemic find that their employees do not want to return to the office once the closures are lifted.

Creating a special place at home where people can work, study, think, or just stay on top of paperwork is important for everyone, and we can help get you set up with our Elev8² Mono height adjustable desks with a single motor that provide affordable features and durable design to transform the home office with healthy flexibility and mass appeal, dramatically improving health, well-being and energy levels of home workers.
